Please be advised that we require a copy of your purchase receipt before we can begin warranty service. Behringer, B-52, and Egnater brand products require consumers to contact the manufacturer for a Repair Authorization number before we can begin warranty service. If you are sending one of these brands for warranty service, please contact the manufacturer first.

Description of the problem(s) you are experiencing. Be as specific as you can. Describe any troubleshooting you have done. Use an extra page if needed. _____
